

# OpenMP<sup>®</sup>

## SC23 Booth Talk Series

## How Popular is OpenMP?

**Tim Mattson**, Human Learning Group

# Template Instructions

- Please use Slide 1 of this file as your opening slide:
  - Even if it is just shown for a moment before you go to your “Real” title slide.
  - This is so all the Booth Talk videos have a similar opening.
  - Please really do keep your title short: should not wrap beyond 2 lines.
- Use slide 2 (this slide) if you don’t have your own template to use.
  - Please feel free to use your own template, just please use our opening and closing slides as described above and below.
- Please use Slide 3 of this file as your closing slide
  - Even if it is shown after your own template’s closing slide.
